

COUPLE VISA PACKAGE

MARRIED COUPLES PACKAGE – Both studying

USD\$14,900

This package is for married couples that both want to study and work while in Australia. The package includes course enrolment, insurance, visa and couples accommodation, and all other package inclusions for each person, including a job on arrival.

The insurance policy of couple package covers you for pregnancy and all related health issues.

MARRIED COUPLES PACKAGE – One person studying

USD\$13,750

This package is for married couples that want to come over for one person to study and the other person to work. The package includes course enrolment, insurance, visa, couples accommodation, and all other package inclusions for each person, including a job on arrival for both.

The insurance policy of couple package covers you for pregnancy and all related health issues.

This package is designed for couples who want to study while the other partner can work and save money.
